

## **DID Pricing for XeloQ Communications Resellers - Date: 3 June 2009**

Since 3 June 2009, we added DID countries and simplified the pricing structure. Most prices came down so XeloQ decreased most prices.

**The new prices can be found here:** (the website prices will always be up to date):

International Resellers: [click here](#)

Dutch Resellers: [click here](#)

### **Discount for resellers (based on the listed prices)**

#### Single DID's:

Setup costs: no discount

Monthly costs: € 1,00 per month / per DID (based on the listed price on the website)

#### DID's > 10:

Setup costs: 10% (on listed prices; similar as listed on the site)

Monthly costs: € 1,00 per month / per DID (based on the listed price on the website)

### **Dutch DID prices for resellers:**

#### Single DID's:

Setup costs: € 12,50

Monthly costs: € 2,50 per month / per DID

Extra channel: € 2,00 per month / per channel

→ porting prices and multiple DID's of Dutch numbers are sent in a separate email dated 1 May 2009.

**Note:** DID's are based on availability and we maintain daily prices. If we can not deliver a DID for a certain price, we can look for alternative partners that could affect pricing.

If you would like to use your own DID's, contact [sales@xeloq.com](mailto:sales@xeloq.com) for pricing.
